

The Literary Scientist

A Multidisciplinary Journal for Literature and Science

Vol. II Issue I
2025

CALL FOR CONTRIBUTIONS

The Literary Scientist is a multilingual, multi-disciplinary, peer-reviewed academic journal for Literature and Science.

To know more, visit www.theliteraryscientist.org.

The Literary Scientist aims to bridge the gap between discipline-specific conventions and discipline-oriented research techniques, and it encourages young aspiring writers to create and contribute to the vast space of interdisciplinary research and perspectives, thereby broadening the scope and utility of creation.

This call for contributions is an initiative to collaborate scholarly and artistic approaches towards multidisciplinary understanding and research based on (but not limited to) the following topics:

1. Tiny Tales, Micro Literature as a mainstream literature
2. Environmental Humanities
3. Medical humanities/neuro humanities
4. Oral narratives in the contemporary
5. Subaltern studies
6. Evolution of Literature
7. Intermediality in Literature
8. Cultural studies
9. India as a linguistic area
10. Multilingualism & mother-tongue education
11. Language of literature
12. Language & Indian Knowledge System
13. Queer studies
14. Physics of speech
15. Literature and physics

16. Stylistics as language-literature interface
17. Music cognition/speech cognition/emotion in speech and music
18. Linguistics and Language Technology
